## Our Story

Game On! was founded in 2020 with a simple goal: to bring people together through games. What began as virtual game nights for family and friends during the COVID-19 pandemic quickly grew into something more as these experiences created joy, laughter, and meaningful connection.

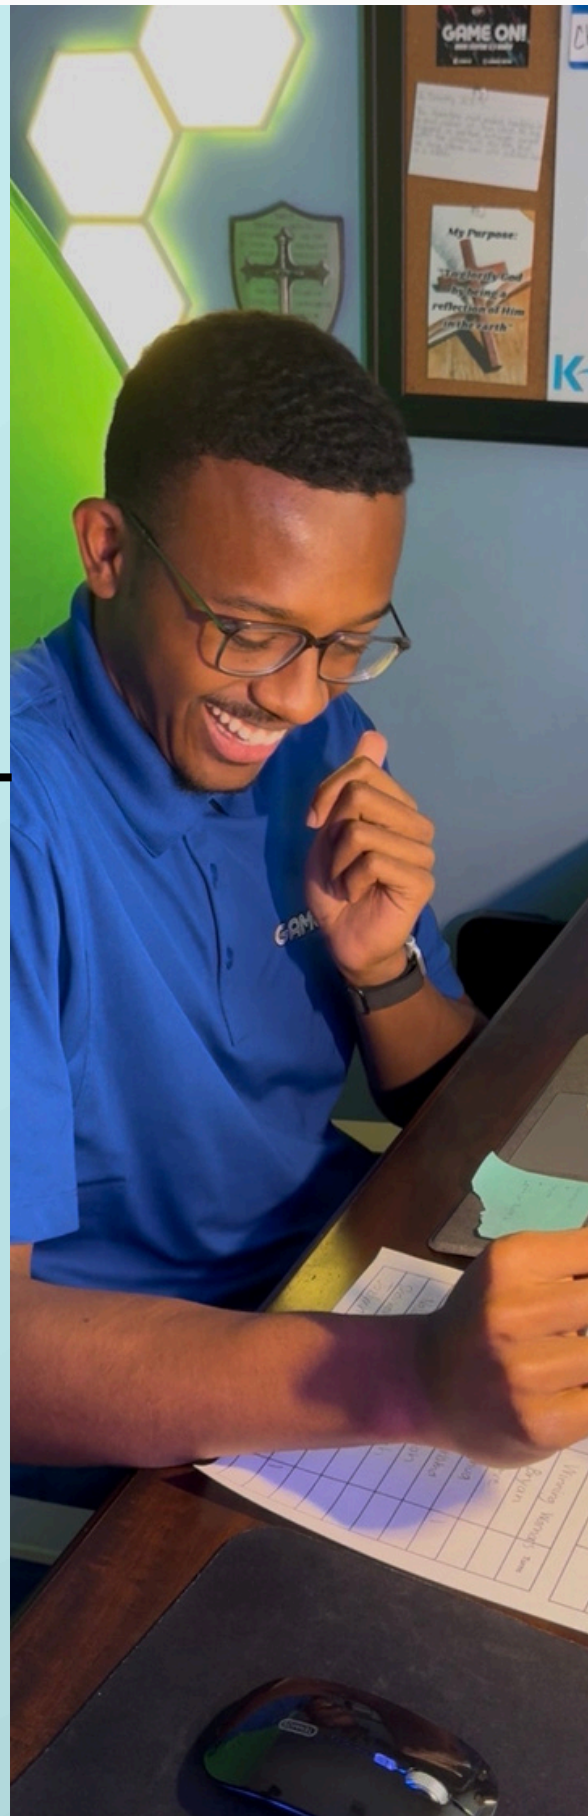

Today, Game On! designs and hosts customized game show experiences for families, schools, organizations, and communities nationwide. At its heart, Game On! exists to celebrate the power of connection and shared joy—because it is always more than just a game.
